

September 29: Calling all pumpkin painters to help Paint Main Street Niantic Pink!

There will be a pink pumpkin painting party at Smith's Acres LLC September 29 at 6 pm to "Paint the Town of Niantic Pink", and they're looking for painters and pumpkins (any size).

You can bring a pumpkin to donate right to Smith's Acres at 4 West Main St, Niantic. These pink pumpkins will be used to decorate downtown during October for Breast Cancer Awareness Month in support of the 10th Anniversary Walk Across Southeastern CT.

Last year, the walkers of the Terri Brodeur Breast Cancer Foundation's Walking Marathon really enjoyed all the pumpkins, some silly, some beautiful, all awesome!
